## SUMMER FUN

Our staff have enjoyed attending school fetes and fayres across Swansea and Llanelli this month helping raise much needed funds for their PTA's by bringing along one of our brightly coloured pool cars filled with balloons to provide a 'guess the amount' game for the PTA. We are already looking at how we can bring Dawson's to schools during the next academic year, so if your local school could benefit from our attendance please get in touch with Naomi from our marketing team by email: [naomi.webborn@dawsonsproperty.co.uk](mailto:naomi.webborn@dawsonsproperty.co.uk).

## AUCTION NEWS

"We are delighted to be approaching our fourth auction of the year and one of our favorite auctions being in the midst of summer. In this auction we have covered a wide area of South West Wales from Ammanford to Swansea City Centre.

We are pleased to offer a luxury apartment, spectacular barn conversion in North Gower (pictured above) and everything in between. The summer months will inevitably be over shortly, and no one wants a property empty throughout the winter period. Contact us today for a free market appraisal."

Our next auction will take place at the Marriot on Wednesday 8th August 2018 at 3pm.

Please contact our auction team on 01792 646060.
